

EXTENDS COAL ORDER TEN DAYS

Court Takes 80 Day Injunction Request Under Consideration

Striking Miners Refuse To Obey Lewis' Orders

Fail To Return To Work As Directed By U.M.W. Leader

By TROY GORDON
(U. S. Staff Correspondent)

PITTSBURGH, Feb. 20.—The nation's eastern soft coal fields were shut down tight today by striking miners who refused to obey John L. Lewis' second back-to-work order.

United Mine Workers in other states were following that example as the whistles blew for them to report at the pits.

The total number idle was expected to equal the 350,000 who last week defied a Taft-Hartley injunction to resume production. Today's continued defiance probably will lead to a government citation for contempt of court, and heavy fines against the UMW if the strike goes on.

Nation Endangered
The stoppage has endangered the country's supply of coal. With less than a week's supply above ground, industrial cutbacks and layoffs and other emergency action will increase drastically.

In West Virginia, Pennsylvania, Kentucky and Ohio—the heart of the nation's coal fields—only a few non-union mines and several who have come to terms with the UMW were operating.

Those four states have more than 250,000 bituminous diggers. (Continued on Page Two)

Two Reported Dead In Crash

QUAKERTOWN, Pa., Feb. 20.—(INS)—Two men were reported killed today when a plane, believed to be a Navy "Helldiver," crashed at Quakertown in Bucks county.

State police said the crash occurred at about 11:30 a.m. EST. The ship was believed to have taken off from the Willow Grove Naval Air Station at Willow Grove.

New Castle and Lawrence county, along with the remainder of this area, got the first real wintry touch last night and this morning. Temperature dropped to eight above zero and there was considerable snow. The weather forecasts indicate the cold spell will continue overnight.

With the snowfall of yesterday, some of the boys and girls had their sleds out, seeking to get a little enjoyment of the winter sport, missing almost entirely up until the present time this winter.

If the cold weather continues a few days there should be no dearth of ice skating for those who are interested. Many ponds are full and many lowlands contain temporary ponds that will provide skating.

Several steaming auto radiators were noted in traffic here early this morning, the drivers evidently being taken unaware by the drop in temperature.

More states apparently are taking advantage of the chance to advertise their locality on the auto license tags. A car was noted here Saturday afternoon carrying a white license tag which announced that Vermont was "The Green Mountain State."

A car bearing a Montana license plate was seen on the streets early this morning. The temperature here was most appropriate for travelers from that part of the country.

MANCHESTER, N. H., Feb. 20.—Dr. Hermann N. Sander, 41, goes on trial today for the alleged "mercy killing" of a woman cancer patient.

Dr. Sander, highly-respected in his quiet, New England community, is charged with the first degree murder of 59-year-old Mrs. Abbie C. Borroto, wife of an oil company salesman, last Dec. 4 in a hospital at near-by Goffstown.

Moral, legal and medical issues involved in the "Sander case" have created intense international interest. The trial may last two or three weeks.

Cold Weather To Hang On

Curwensville Is Coldest Last Night

PHILADELPHIA, Feb. 20.—(INS)—Frost bit all of Pennsylvania today and the weatherman predicted continued cold in the eastern sections this afternoon, tonight and Tuesday.

Low temperatures tonight should be around five degrees in the north portions and about 13 degrees in the south.

Several of the lowest temperatures recorded during the night included:
Scranton 2; Erie 6; Williamsport 4; Allentown 8; Harrisburg 11.

The weather bureau said coldest spot in the Keystone state last night was Curwensville, in central Pennsylvania, where the mercury dipped to 4 below.

There was a trace of precipitation during the past 24 hours in Philadelphia where the mercury ranged between 43-13 degrees.

Other readings: Atlantic City 44-18; Chicago 25-15; New York 43-10; San Francisco 54-44; Washington 43-19.

BRIDGEVILLE, Pa., Feb. 20.—(INS)—A 22-year-old nearby Cuddy man was quizzed by Allegheny county detectives today about the fatal shooting of his aged father.

He was Vincent Kos, whom a Bridgeville physician, Dr. Dante Bigossi, said admitted he shot his father, Matthew, 63, through the heart with a 22 calibre rifle bullet during an argument at the Kos home early today.

Dr. Bigossi reported the death to county detectives and Bridgeville police.

Vogeler Will Be Sentenced On Tuesday

BUDAPEST, Feb. 20.—(INS)—Hungary's prosecutor said today Robert A. Vogeler is "a proved spy who lost the game," and he demanded "a fate such people deserve" for the American businessman.

Communist Prosecutor Gyula Alapi did not specifically ask for the death penalty against the New Yorker, who again confessed in the Budapest court. Vogeler said he was "sincerely sorry," and is hoping for a mild sentence.

Judge Vilmos Olty announced sentences will be handed down at 1 p.m. 7 a.m. EST tomorrow against Vogeler and six other defendants, including Edgar Sanders, a Briton.

All have pleaded guilty to spy and sabotage charges.

Vogeler and Sanders were held incommunicado for three months before the trial began last Friday.

Yvette Madsen To Stand Trial

FRANKFURT, Feb. 20.—(INS)—Beautiful Brooklyn-born Yvette Madsen was held mentally fit today to stand trial for the murder of her U. S. Air Force husband.

She collapsed at the decision and was carried from the courtroom by her father.

The 22-year-old American occupation housewife is charged with killing Lt. Andrew Madsen because he allegedly "laughed at her" following a party Oct. 20, 1949.

Yvette collapsed when Justice Fred J. Cohn read the charges of premeditated murder under the German code which she will be tried.

She whispered a faint, "I deny it," before her father, Andrew Hoack, grasped his falling daughter and carried her from the courtroom. Hoack arrived in Frankfurt Friday from his Brooklyn home.

Judge Cohn said Mrs. Madsen will stand trial March 6.

New Decision On Home Search

(BULLETIN)
WASHINGTON, Feb. 20.—(INS)—The Supreme Court held today that policemen can invade private premises without a search warrant when such a search is "reasonable."

The court's 5 to 3 opinion, written by Justice Minton, throws a new aspect on previous Supreme Court interpretations of the constitution's fourth amendment which guarantees immunity from "unreasonable search and seizure."

By its decision the high court rejected the appeal of a District of Columbia storekeeper who claimed that police unlawfully procured evidence on which he was convicted for selling phony postage stamps.

U.S. May Break Off Relations With Bulgaria

Unprecedented Move For Peacetime May Be Carried Out By U.S.

By JOHN A. REICHMANN
WASHINGTON, Feb. 20.—The United States may take the unprecedented peacetime action today by breaking diplomatic relations with Bulgaria.

Such action might stem from the apparent refusal of that Balkan satellite to void its demands that U. S. Minister Donald R. Heath be withdrawn from Sofia.

Only last Thursday the Bulgarian charge d'affaires, Dr. Peter Voutov, was summoned peremptorily to the department and reminded that his government had not yet replied to a U. S. note of January 20.

Demand Request Withdrawal

That note demanded that Sofia withdraw a request for the recall of Heath, named in a spy trial as a conspirator. Heath was denied ever meeting the persons involved.

The United States bluntly declared in its ultimatum that if the U. S. request was not met, diplomatic relations would be broken.

On Thursday Voutov was given 48 hours to produce a reply, but because of the week-end holiday, action was put off until today.

Presumably the members of the Bulgarian legation, smallest in Washington, will be handed their passports and arrangements will be made for their immediate return home.

Action Is Unprecedented

Phone Strike Still Looming

(BULLETIN)
WASHINGTON, Feb. 20.—(INS)—Federal Mediation Chief Cyrus S. Ching today summoned telephone union and company officials to a Washington meeting tomorrow in an attempt to head off a nationwide strike Friday.

WASHINGTON, Feb. 20.—(INS)—Federal Mediation Chief Cyrus S. Ching is confronted today with the prospect that a postponed nationwide telephone strike may yet become a reality.

The walk-out by 100,000 members of the CIO Communications Workers Union was delayed from February 8 to February 24 at Ching's personal request.

A union spokesman said last night that intensified negotiations over the past 10 days have been entirely fruitless.

He claimed that the companies still have made no counter-proposal to the union's wage demands.

In Denver Carlton W. Werkau, CWA-secretary-treasurer, said he was virtually certain the telephone employees would go on strike Friday.

Hunt For Slayer Of California Doctor

SAN FRANCISCO, Feb. 20.—(INS)—A search was under way today for a California doctor for the slaying of Dr. Edward Muentzer whose body was found spread-eagled on a bed in his San Francisco apartment.

A particular object of the hunt was the 38-year-old physician's automobile—a 1939 tan Chevrolet sports sedan—in which the killer was believed to have escaped.

Police questioned several of the doctor's friends for a clew to the bizarre murder mystery.

The slaying occurred apparently last Tuesday or Wednesday but the body—with a towel stuffed down the throat—was not discovered until Saturday night.

Authorities said the killer probably was a friend of the physician since there was no sign of a struggle in the apartment.

Building Burns At Ellis College
NEWTOWN SQUARE, Pa., Feb. 20.—(INS)—Fire today swept through the administration building of Ellis college, a girl's school near Newtown Square.

None of the school's personnel or students were reported injured. The building houses offices, a library and some class rooms.

'BROWNOUT' IN FAMOUS TIMES SQUARE IN NEW YORK CITY

NEW YORK, N. Y.—This is a view of New York's famous Times Square the statewide "brownout" went into effect Sunday night. Note the Chevrolet sign (C) and the Bond 1,000,000-watt sign (R) are out. Streaks of light are caused by the passage of cars during the time exposure. Broadway is stripped of its glitter because of the soft coal strike.

Dim Lights On Broadway

NEW YORK, Feb. 20.—(INS)—They dimmed the lights on Broadway's gay white way last night and the crowds that throng the nation's main stem to watch the glittering galaxy of giant signboard spectacles were curiously quiet.

It was the same on the other "broadways" throughout New York state as cities complied with the order of State Fuel Coordinator Bertram D. Tallamy to cut display advertising lights to a feeble 206 watts to help conserve dwindling soft coal supplies.

But it was on Broadway—the heart of the entertainment world—that the post-war "brown out" order had its greatest effect.

The glamour and the glitter that gave Broadway its sparkle began to fade out at noon. Theaters, cafes, and bars pulled the switches that cut their brilliant electrical displays. Till as dusk fell, the best-known thoroughfare in the world began to resemble a gray canyon.

'Floating Vote' May Be Decisive

May Hold Key To Result In Britain

By KINGSBURY SMITH
(European General Manager, I. N. S.)

LONDON, Feb. 20.—Britain's so-called "floating vote" of 4,000,000 is believed today to hold the key to laborite or conservative victory in Thursday's general election.

These voters, who hold no allegiance to either of Britain's two major parties, are composed chiefly of middle-class citizens.

Political party consensus is that between 75 and 80 percent of the electorate—between 26,000,000 and 27,000,000—will go to the polls if the weather is fine. Very bad weather may cut down the poll a further ten to fifteen per cent.

Conservatives May Win
Some of the leading foreign embassies in London, meanwhile, were understood to have alerted their governments for the possibility of a conservative victory.

Although the embassy reports said the conservatives may win the elections, it was generally agreed in diplomatic quarters that the results would be close, with the winning party obtaining only a narrow majority of the 625 seats in commons.

The labor party, despite its professed confidence, is now reconciled to the loss of a good many seats. They held 393 seats against 197 for the conservatives in the last parliament.

Laborite officials claim they will get a majority of at least 50 to 60 seats in the 625-member body.

The conservatives predict they will get a majority of at least forty, and possibly as many as 100, although foreign observers consider this far too optimistic a claim.

Question Wife In Death Of Husband

LURAY, Va., Feb. 20.—(INS)—Authorities sought a coherent statement today from the shapely, red-haired wife of a disabled former Army officer whose body was found yesterday at his farm home near Luray.

Officers said they found Mrs. Barbara Parks, 27, standing over the almost nude body of her husband, Franklin Parks, a 38-year-old veteran of Corregidor.

Mrs. Parks was immediately booked for investigation.

Page County Sheriff Abram Brubaker said she was "too hysterical" to tell exactly what had occurred. He quoted her as saying the death weapon, a .32 caliber pistol, went off while the couple struggled over it.

New Effort May Be Made To Banish Atomic Weapons

By ALLAN J. FUNCH
(U. S. Staff Correspondent)

WASHINGTON, Feb. 20.—The administration has under consideration new efforts to get Russia to agree to abolish all atomic weapons, including the projected hydrogen "Hell" bomb.

This was learned today as pressure increased on President Truman to take the initiative in such a disarmament move.

The administration proposals follow closely on the heels of the promise by Winston Churchill that if the Conservative forces win the British elections Thursday, the former Prime Minister will make another try for peace in conferences with Joseph Stalin.

Any meeting of this nature would necessarily involve the United States, since England and the U. S. are mutually pledged to work together.

At Top of Agenda
At the top of the agenda of such conferences would naturally be discussions of abolishment of atomic-hydrogen weapons.

Chairman Connally (D. Tex.), of the Senate Foreign Relations committee, said over the week-end that the time might be "near" for an atomic disarmament meeting at the foreign minister level.

It was reported in other places that high level secret discussions would be held during the week to all ramifications of the plan.

It was said that the administration will not go ahead until it is certain that the projected proposals will not "backfire" against the United States.

Republican Leader Harold E. Stassen, president of the University of Pennsylvania, has proposed that a bi-partisan team of outstanding Americans talk with Soviet leaders on outlawing atomic weapons.

County Tax Rate Cut Half Mill

Millage Is Set At 5 1/2 For This Year

One half mill was cut from the county tax late today when the county commissioners adopted the budgets for 1950 and set the millage.

The one half mill cut was made from the institution budget, reducing from 1 1/2 to one mill. The same rate, 5 1/2 mills, as was on for 1949 was adopted for the 1950 budget.

Both budgets were adopted this morning by the commissioners. The general budget shows a total of \$583,615.14. The institution budget shows a total of \$204,632.91.

This total will be cut by the amount of one half mill on \$66,000,000 property assessment less 15 per cent for uncollectibles.

Commissioner Joseph W. Gilmore said they hope to balance the one half mill reduction by showing a smaller estimated balance at the end of the year and also by making some economies in the operation of the institution district.

Rescue 115 From Burning Ship

COPENHAGEN, Feb. 20.—(INS)—All 115 passengers aboard a 3,000-ton Danish mailboat were rescued today when their vessel caught fire during a thick fog in the Kattegat, the open body of water between Denmark and Sweden.

The Swedish-American Liner Stockholm, which located the flaming Kron Prins Olaf (Crown Prince Olaf) by radar, reported that it took the passengers aboard from life boats.

The crew of the "Olav" remained aboard the blazing ship to fight the fire which broke out during a voyage from Copenhagen to Oslo. The flames swept the center and stern of the vessel.

The captain of the Stockholm, in a radio-telephone conversation with his Copenhagen office, said that none of the "Olav" passengers was injured and the fire appeared to be under control.

Earlier reports said that 60 passengers were injured or suffered effects from the smoke.

Five Airmen Still Hunted

PORT HARDY, B. C., Feb. 20.—(INS)—Search continues today for five U.S. airmen still unaccounted for in last Tuesday's B-36 super-bomber crash, but with dwindling hope any would be found alive after six days.

Twelve parachuting fellow crewmen were picked up last week from desolate Princess Royal and Ashdown islands off the coast of British Columbia.

Searchers fear the missing five may have fallen into the sea in their mile-high leap from the plane laboring under icing conditions and with three of its six engines afire.

No Immediate Coal Shortage In County Industries Reported

There is no immediate coal shortage among Lawrence county industries, it is announced by George Gettings, manager of the Pennsylvania employment offices on East Washington street.

There is more danger from shut-downs due to lack of raw materials than from a shortage of coal, it is reported.

Most of Lawrence county's industries are equipped to switch to gas or oil, if necessary, Mr. Gettings states.

Meanwhile, there have been no more curtailments of railroad service, though several layoffs have been reported at car shops in the city.

Report Soviet Russia Is Building H-Bomb

BERLIN, Feb. 20.—(INS)—Soviet Russia was reported today to be "actively engaged" in the construction of a hydrogen bomb.

Authoritative allied sources told International News Service that construction of the super-deadly weapon began last September, four months before President Truman gave the U. S. the "go-ahead" order.

They said the Soviets expressed confidence they would successfully test the H-bomb by this summer.

Court Denies U.M.W. Request For Dismissal

No Consideration Is Given To Contempt Move At Day's Hearing

By PHILLIPS J. PECK
(By International News Service)

WASHINGTON, Feb. 20.—(INS)—Federal Judge Richmond B. Keach today extended for ten days his temporary restraining order against the nationwide soft coal strike.

The court continued its order until March 3. Originally, the temporary writ would have expired tomorrow.

In the meantime, the court will take under consideration the government's request for a full 80 day Taft-Hartley law injunction against continuance of the mine shutdown.

Keach may rule at any time within the next ten days on the injunction petition.

Deny Dismissal
The court denied a request of the United Mine Workers Union for dismissal of the temporary anti-strike order which the union has defied for the past week.

Harry Hull, clerk of the District Court, told newsmen there was no consideration given in this morning's session to bringing contempt charges against the union for the refusal of the 350,000 miners to end their walkout.

The Justice Department reportedly is prepared to file such charges tomorrow if the strike continues full blast as it has thus far in defiance of the court order and two back-to-work directives from UMW President John L. Lewis.

Objects To Extension
Welly K. Hopkins, general counsel for the UMW, objected to extension of the temporary anti-strike decree and also to any issuance of a preliminary injunction. He denied that a strike exists.

Hopkins told the court that the present walkout is the result of individual action by the mine workers acting "of their own volition."

He declared that issuance of an anti-strike injunction would violate (Continued on Page Two)

Coal Strike Is Being Felt Here

Coal Dealers Report Little Coal Available

New Castle is feeling the pinch of the coal strike today.

A survey of the coal situation here by the New Castle Coal Dealers' Association reveals the fact that there are less than 150 tons of coal in the dealers' yards this morning and most of this stoker, and run-of-mine. A small amount of coal is coming in from country and strip mines.

All night classes in the shop building of the Benjamin Franklin junior high school have been closed.

There is no difficulty at the Pennsylvania Power plant, there being sufficient coal stockpiled to last a reasonable time.

Half Ton To Customers
Customers who are completely out of coal have been getting a half a ton, the dealers say. Householders are asked to conserve their coal supplies and to fire furnaces as little as is absolutely necessary to keep the homes livable.

Superintendent Frank L. Burton said the schools of the city are in fair shape at least for the balance (Continued on Page Two)

County Men At Duff Meeting

Lawrence county was represented Saturday at the meeting of county Republican leaders in Hershey, Pa., pledged to the candidacy of Governor James H. Duff for United States Senate.

Attorney Orville Brown, John J. McCoy and former sheriff M. M. Ingham attended the meeting. County Chairman Roger W. Rowland did not attend, the meeting being only for those who were pledged to Duff for the Senate and to his candidate for the governorship.

Superior Court Judge John S. Fine was selected as the gubernatorial runningmate for Governor Duff. He has promised that he will resign his superior court post on March 9.

Two Judgeships Open

This will leave two appellate court judgeships open. For the vacancy on the State Supreme Court, it appears possible that Governor Duff will appoint John C. Bell, former lieutenant-governor, and for a short period of time governor when Governor Martin resigned to take the oath as United States senator.

For the Superior Court vacancy which will occur when Judge Fine resigns two judges are said to be considered, Judge W. Walter Braham of Lawrence county and Judge E. V. Alessandrini of Philadelphia. Because Bell is from Philadelphia it would seem possible that Judge Braham may be in good shape to get the Superior Court appointment.

Miss Eva Raney Dies In The West

Miss Eva Raney, aged 90 years, died Friday in Twentieth Century Sanitarium, Los Angeles, Calif., where she had been a patient for four years, having been ill for eight years. Word, telling of her death, was received by a nephew, E. O. Raney, 610 County Line street.

Miss Raney, a former resident of 610 County Line street, this city, left here 20 years ago, moving to Pittsburgh. She was born January 7, 1860.

Funeral services will be conducted in Los Angeles.

COAL STRIKE IS BEING FELT HERE

of the week. Some coal was delivered last week and if necessary some transfers can be made from the heavier stocked schools.

One strip mine that was a partial source of local coal, the Greenberg mine at Coalton was struck this morning when the men demanded more money.

The dealers' association has surveyed the local situation thoroughly and finds a shortage here but few actual cases of hardship. Householders are asked to refrain from panic ordering, and those with a ton or two are asked to remember that many other homes have less coal than they have.

If the miners get back to the pits this week there will be no hardship here it is felt. In the meantime, hysteria will do no good.

DOCTOR GOES ON TRIAL IN ALLEGED 'MERCY KILLING'

(Continued from Page One)

somewhat difficult, and may take several days because of the widespread publicity, the fact Dr. Sander is well-known locally, and because of the controversial issues involved.

Names of the 160 veniremen from whom the jury will be chosen have been kept a pre-trial secret. The authorities have taken unusual precautions to keep local tension from hampering the selection of an impartial jury.

Dr. Sander, upon advice of counsel, has of late refrained from giving pre-trial interviews. He is at liberty under \$25,000 bail and it is now believed will not be locked up during the trial. He lives with his wife and three children at nearby Candia.

The physician had been quoted as having said that the manner in which he handled the case of Mrs. Borroto was "an act of mercy," and that he felt that what he did was right, "morally."

He was also quoted as saying he is "not guilty of any legal or moral wrong," and that ultimately his position would be vindicated.

Arrested December 29

Dr. Sander was arrested Dec. 29, after a nurse at the Hillsborough County General Hospital disclosed he had entered a notation in the hospital records that he had injected air into Mrs. Borroto's veins.

Mrs. Borroto apparently was suffering intense pain and was on the verge of death from cancer at the time of the injection. She had wasted away from 140 pounds to 80.

Medical authorities assert that a large enough intravenous injection of air can cause death by air embolism, in which bubbles of air stop the heart from pumping blood.

The jury may have to decide the questions: Did the air embolism cause the death of Mrs. Borroto or was she simply the victim of cancer?

A verdict of guilty would mean Dr. Sander would face life imprisonment unless the jury added to its verdict the words, "with capital punishment." In that event, the penalty would be death by hanging.

The jury, however, could acquit the doctor or convict him of a lesser offense—subject to instructions from the court.

For second degree murder, the penalty is life imprisonment or such term as the court might direct; first degree manslaughter, a maximum of ten years or \$1,000 fine, or both.

AGED WOMAN MISSING

Police have been requested to hunt for Mrs. Bary Barge, about 70, who left her home on Raney avenue, Covert's station at 12:30 a. m. February 20. She wore a brown coat but without a hat.

In extending its temporary restraining order, the court declared that the reasons for the original issuance of the decree still exist—namely, a strike threatening the national welfare.

Stipulations accepted as evidence by the parties included an affidavit by W. H. Young, chief of the bituminous coal section of the Bureau of Mines.

Young estimated that total national stock-pile of soft coal on February 11 amount to 22 million, 200 thousand tons—equivalent to an overall supply sufficient for 16 days.

He estimated production for the week ending February 18 as about the same as for the previous week; in other words, that national production is off about 80 per cent.

Meanwhile, the White House said that no new action could be expected from President Truman today in the coal dispute.

Reminded that suggestions continue to be made that the President might ask Congress for powers to seize the coal mines, White House Secretary Charles G. Ross said he knew of no such action being in the making now, but would make no forecast about the future.

The return of Finnish diplomats was reported to as a sign of displeasure with Finland, in the hope of having that country quickly sign a separate armistice.

Some such motive may be involved in the Bulgarian case. Despite the fact the tiny but strategically placed nation was the first wartime axis satellite to fall into the Soviet sphere, reports say that the local Communists face an open revolt.

No method of economic sanctions exists. Hungary gets its seven millions of dollars annually by forcing relief agencies aiding refugees there to buy their goods in that country.

However, since Hungary in her peace treaty as an Axis satellite agreed to abide by her prewar treaties of friendship and diplomatic arrangements, an appeal might be made to the United Nations.

Illinois production also was virtually at a standstill with 19,000 UMW members refusing to go back. A strike of 10,000 Progressive Mine Workers—A rival union—slated for midnight tomorrow will shut Illinois production to practically nothing.

D.A.R. CHAPTER HAS COLONIAL PROGRAM

The colonial tea held by the Lawrence chapter, Daughters of the American Revolution in the Castleton hotel Saturday afternoon, proved a delightful affair.

Mrs. H. E. Golder, regent, presided.

Following the reading of the ritual the pledge of allegiance to our flag was given by Mrs. William Caldwell led in the singing of our national anthem. Washington's prayer was read by Mrs. Dale Mullen, and Mrs. Golder read excerpts from Washington's farewell address.

Mrs. Caldwell charmingly presented three numbers: "Mt. Vernon Bells", by Slade; "My Yohann", by Greig, and "Sneezels", by A. A. Milne. Mrs. Mullen was accompanist at the piano.

Mrs. J. E. Rentz, chairman of the local world day of prayer committee, spoke of the world day of prayer, represented by 21 denominations. Mrs. Rentz asked for a large attendance at the service to be held in First Methodist church Friday, Feb. 24. A choir of 150 voices is expected to participate in this service.

The outstanding feature of the afternoon was the brilliant address given by Dr. Robert F. Galbreath. Being of colonial descent, he is familiar with tales of the perils and hardships endured by the courageous pioneers of our country.

Dr. Galbreath compared the crude mode of warfare and hardships of the soldiers in the time of Washington with present facilities and mode of war. He reviewed the struggles of the wise and far-thinking men who spoke of a dream to build a nation freed from tyranny, and how these founded a nation that would have abiding faith in God and a better life for the world of tomorrow.

Refreshments were dispensed from a beautifully appointed table centered with the traditional cherry tree and red hatched, while tapers in holders decorated with red, white and blue ribbons were additional decorations. Mrs. W. W. Campbell and Mrs. Golder presided at the table.

A number of guests augmented the attendance at this meeting. Out-of-town guests were: Mrs. C. Cross, Wilmington chapter; Miss Mary Barber, Grove City; Mrs. John McDowell, Miss Frances McDowell and Dr. Gyle McDowell, of Neshannock Falls.

Hostesses were: Mrs. F. W. Moorehead, Miss Mary R. Clarke, Mrs. W. H. Humphrey, Mrs. John B. Norris, Mrs. F. G. Simonton, Miss Viola Wallace, Miss Rose M. Barber, Mrs. C. H. Fischer, Mrs. Mrs. Harry W. Mason, Mrs. Jacob F. Rentz and Miss Alma Locke.

Mrs. William C. Douglas, as her sister's matron of honor, wore with charm an ankle length aqua gown complimented by a sweetheart neckline. Pretty features were its matching headress and wrist corsage of cream colored roses.

George Ross of Quincy, Mass., served his cousin as best man.

Miss Lois Harding, sister of the groom, sang "Give Me Your Hand," "Through the Years" and "Day of Golden Promise."

A reception was held at a New Wilmington tearoom following the ceremony, with 50 guests in attendance. The couple later left for a motor trip to Cleveland, O. Upon their return they will reside at 36 Ritchie road, Quincy, Mass.

Mrs. Harding was a graduate of New Wilmington high school and attended Westminster college. Mr. Harding, a graduate of the Quincy high school, was graduated from Westminster college in 1949. He is employed at the Harding Welding company.

THE FAMILY SCRAPBOOK

By DR. ERNEST G. OSBORNE

Dads And Dignity.

Should dads be dignified? The answer to such a question depends on what we mean by "dignified." If it means that at all times and under all conditions, papa acts in a serious, aloof manner, never letting himself get down to the child's level the answer should be "no."

When children are asked what it is like about grownups, one of the things high on the list is the ability to joke and play. Lying on the floor with one's knees serving as a slide for very young children, hardly comes under the heading of dignity. Letting Junior or his sister travel around the room by standing on dad's feet as he walks is likewise undignified. But such activities can do a great deal to bring a feeling of closeness between father and child.

As the youngsters grow older there are other things that bring about the same result and help them feel that dad's okay. The ability to laugh at one's self, to accept gracefully teasing from one's own flesh and blood, is not dignified in the narrow sense of the term, but it shows a quality of humanness and sense of humor that is far more important in building real respect and friendship.

NOTED THROAT SPECIALISTS REPORT on 30-Day Test of Camel smokers...

Not one single case of throat irritation due to smoking CAMELS!

MAKE A NOTE...REMEMBER YOUR THROAT!

VOICE COACH Roy Campbell: "I tried many brands before I found the cigarette that agrees with my throat. The 30-Day Test convinced me that Camels are mild—cool and mild!"

HOUSEWIFE Polly Barker: "Cigarette mildness counts with me, too. The 30-Day Test certainly won me to Camels. They're the mildest, best-tasting cigarette I've ever smoked!"

SCHOOL TEACHER Mary Turner: "Giving daily lectures isn't easy on my throat. I smoke Camels—they agree with my throat. Wonderfully mild. Wonderful tasting, too!"

HERE'S THE TEST! Smoke only Camels for 30 days! Compare them in your "T-Zone" (T for throat, T for taste). See if you don't agree that Camels are the mildest, best-tasting cigarette.

Yes, these were the findings of noted throat specialists after a total of 2,470 weekly examinations of the throats of hundreds of men and women who smoked Camels—and only Camels—for 30 consecutive days.

'Dear Ruth' To Be Presented

High School Players
To Stage Play Friday

The senior high school announces a coming school play. For the occasion Miss Hartsuff, the dramatic coach, has chosen "Dear Ruth", by Norman Krasna, and though it was first produced in New York City in Henry Miller's theater as a war play in 1944, its fine stagecraft has made it popular with an ever-growing circle of theater audiences.

The plot stems from the letter-writing activities of a high school girl who writes letters to various persons in a sincere but fantastically ill-advised effort to further worthy causes. She apparently is utterly unaware that signing another person's name is really forgery. Her father is the local judge and yet she signs his name to a letter making an appointment to donate a pint of blood and another to the Secretary of State in Washington demanding a selective draft for women as well as men. Her father's highly vocal exasperation is nothing to the chaos and confusion that result from the love letters that she writes to unknown servicemen in order to bolster their morale in time of danger, to which she signs her older sister's name. She then encloses a portrait snapshot of that beautiful young woman, who to each of her faraway correspondents is "Dear Ruth".

Then as the play gets well started the first of these correspondents comes home on a short leave with full plans for a "quickie" courtship and marriage, and the fun begins. It continues with fine management of suspense until the end, when the tangled threads shake loose quite satisfactorily. Miss Hartsuff's well chosen cast have been having the time of their lives rehearsing for this comedy that is well within the reach of high school thespians in spite of the fact that it has claimed the talents of able players on the professional stage.

Friday evening, Feb. 24 is the date set for the public performance.

Many ship owners insist on carrying at least one cat aboard, since an abandoned ship does not become salvage for whoever gets to it first as long as there is a living creature aboard.

HOT, FIERY GAS

Stomach Like a Furnace

A New Castle man said recently that his stomach used to burn like a "gas factory!" That is, when he ate a meal it seemed to turn right into hot gas. He was always bloated, had gas pains daily. But now this man says he is FREE of STOMACH GAS and he says the change is due to taking CERTA-VIN. His meals agree with him. Taken before meals it works with your food, expels the gas, and thus you get the fullest good out of your meals. It contains Ten Great Herbs, plus vitamin B and Iron. Besides relieving gas, it also enriches the blood (with iron) and makes stronger nerves (with vitamin B.) Miserable people soon feel better all over. So don't go on suffering! Get CERTA-VIN at any drug store in New Castle, or nearby towns.

INVITATIONS TO HOME WEDDING

"Is it proper to send invitations to the ceremony only when the reception will take place immediately after? I planned to have separate reception cards for those expected to stay after the ceremony. I am concerned about the possibility that some invited to the ceremony might not realize that they are not expected to stay."

Answer: When the ceremony takes place in a church and there is a reception afterward at home or in a hotel for a few chosen guests, it is perfectly proper to make this distinction, sending reception cards to some and ceremony invitations only to others. But when both the ceremony and the reception take place at home, it is improper to invite some guests to the ceremony only and to wait until after they leave to serve refreshments. This is understandable because when an invitation to a home wedding is received, it usually means that the recipient is invited to stay for the reception also.

Question: An acquaintance of

mine has sent me a formal invitation to her wedding—both the reception and the ceremony. I cannot go. How must I word my regrets? I do not wish to send a stiff, formal note. May I write her a friendly letter explaining the circumstances?

Answer: No matter how intimate your acquaintance, you must send her a formal note written in the third person. You may write her a separate note later or explain verbally later, but the formal regret must be sent to her parents who sent the invitation. And of course, you must send her a gift despite the fact that you will not go to her wedding.

Question: When should sherbet be served and how is it eaten?

Answer: It should be served along with the main course and it should be eaten with a spoon.

Present your problems to Miss Markel who will promptly send personal replies to questions from readers inclosing stamped addressed envelopes.

Alliance Church Burns Mortgage

Singing of the Duxology followed the burning of the mortgage instrument on the Sampson Street Alliance church Sunday afternoon. Western Pennsylvania District Superintendent Rev. D. C. Kopp was in charge of the service which attracted a large audience to the West Side church.

Treasurer of the church, Robert Kaajanen applied the match to the instrument, while trustee and elder, John Byier offered the prayer of thanksgiving. Rev. F. C. Johannides of the Hoover Heights church and Rev. Edward Mink of the Alliance church at Ellwood City, assisted in the program.

Kopp used as his afternoon theme, "Sixteen Years Without A Song." He used the old testament scriptures for the basis of his remarks. Rev. Kopp spoke before capacity crowds both morning and evening also in the church.

The burning of the mortgage represented \$3,000 worth of improvements on the church made since 1943. Plans are going ahead to make other exterior and interior improvements to the church building including the increasing of the seating capacity of the church.

Rev. Edward Truran is pastor of the church and has enjoyed a successful ministry there. He resides with his family in the church parsonage on Harbor street.

YMCA Membership Campaign In March

At the New Castle YMCA, March is Membership month. Chairman of the annual drive for membership at the physical and recreational education center, Richard E. Rentz, recently met with his committee of three members and laid important ground work for the campaign.

All during the month of March, a host of workers will be busy rounding up new members. March 22 has been established as the date for a membership dinner to signal the beginning of an all-out effort to reach the campaign goal before April 1.

A campaign organization will be announced in a few days. This will include the chairman and division leaders who will head intra-YMCA competition in the membership effort.

On School EventValentine Program
At Mahoning School

At Mahoning school a valentine production was staged recently by the Mahoning school majorettes, entitled "Hearts to You," in the school gym. About 40 girls took part in the program doing tap dances, baton dance and a roller dance.

The gymnasium was elaborately decorated and programs were made for the occasion. Pupils from all grades witnessed the performance, as the participants were chosen from all grades. Weeks of rehearsal preceded the undertaking and Mahoning school girls proved themselves very capable throughout.

Mrs. Robert Marshall, the girls' physical education instructor, directed the program.

Guns Are Trained On
Tax Free Business

HARRISBURG, Feb. 20—(INS)—Pennsylvania Associated Businessmen, Inc., today trained its guns on tax-free cooperatives and similar organizations on a drive to relieve other business of heavy taxation.

John H. Bream, of Harrisburg, president of the organization, said more than 100 businessmen will attend hearings Wednesday before the House Ways and Means Committee at Washington to support a bill introduced in Congress authorizing the government to tax profit-making enterprises which escape proportionate taxation.

"Today there are more than 40 huge cooperatives in Pennsylvania competing with privately-owned businesses," Bream said. "The small businesses pay taxes and the cooperatives don't. The issue is as clearcut as that."

He estimated that the government passes up taxes on more than \$300,000,000 a year in Pennsylvania via tax loopholes and exemptions.

Standard railway sleeping coaches weigh about 83 tons.

New Housing Unit Projected In New Castle

New Castle housing interests today begin another survey to determine the needs of medium-rent housing in this city.

Some weeks ago a survey was conducted but the response was not very great and it is felt that many persons interested did not answer the notice.

Pennsylvania State Housing and Relocation authority has \$131,000 earmarked for the construction of a 40-unit, modern, brick housing development, but the funds will not be allocated unless it is determined that a real need for housing exists here.

Additional Project
The 40-unit project is in addition to the 50-unit Lincoln Terrace development which will be built here with the aid of a \$246,000 allocation from the state.

The units will be two floors, brick, fireproof structures. It is planned that the homes will have a kitchen, dinette, and living room on the first floor with bedrooms on the second. There will be seven or eight units per building but each family unit will be separated by a fireproof wall.

For those persons who make reply to the inquiry there will be obligation. An application for residence in the new units will be mailed to the responders and they will be granted first preference if the proposal materializes, it is stated.

It is believed that construction on the Lincoln Terrace projects, off W. Lincoln avenue, will begin as soon as paper details can be worked out by Shenango Homes, Inc. and the state. This same group would probably be the builder of the second project but the 40-units would be in another section of the city.

The tobacco plant was taken to Europe in 1558 by Francisco Fernandez, who had been sent by Philip II of Spain to investigate the products of Mexico.

Small Fire Occurs In Kissinger Block

City firemen were summoned to the rooms of the Lawrence County Cancer Society in the Kissinger Block, 22 East North street, at the noon hour today. Electricians had been working in the building, installing some electric outlets, which is believed to have caused the fire. It was extinguished with virtually no damage. Fire Chief H. F. Steinbrink stated.

Burning seat, in a grate in the home of Francis Rogan, of 19 N. Greenwood avenue, set fire to the covering over a grate and spread to curtain stretchers, at 9:30 a.m. today, causing a loss of \$50.

At 10:05 p. m., Saturday, firemen were called to the room of Clyde Hall, at 25 East street, where a mattress was found afire, believed to have been caused by a lighted cigarette. Damage of \$25 was done.

Second ward firemen were called to Lincoln and Shenango Saturday afternoon for a grass fire.

Large Crowd At Shepoco Dance

Both ballrooms of the Cathedral were jammed to capacity Saturday night when the Shepoco Club of the Shenango Pottery held a dance for members only. The crowd approximated 3000.

A floor show added to the entertainment of the evening and the crowd is believed to have been one of the largest ever to attend such an affair in the Cathedral.

Joseph Pagley, president of the Shepoco Club said today that the evening was a larger success than had been anticipated. "The crowd was terrific," said he, "but good order was maintained all evening."

Another dance of the same high calibre is being planned for the near future.

Slippery Rock Township Names New Fire Zones

Members of the Slippery Rock township volunteer fire department met at the fire hall on a recent evening.

Plans were made to divide the entire township into different fire zones. Residents are to locate the nearest water supply to their buildings. Later on it is planned to install an air siren on the fire hall in place of the new one now in use. By using the air siren and dividing the township into zones, in case of fire a different number of blasts can be blown depending on the zone in which the fire is located.

All the zone numbers, location of zones and fire signals will be made known to the members and residents as soon as the zoning is complete.

Plans were made for intensive fire practice to take place the first Wednesday of every month at 7 o'clock. These practices will consist of lectures, pictures, and practices under actual fire conditions. The first practice will be held on March 1 at 7 p.m., with the next regular meeting to be March 15.

UNCINARIASIS

My! Isn't that hard one to spell. Butch will have trouble with that one in his spelling lesson. There is another name for it, but it is even harder to spell.

Butch would rather call it Hook Worm. Maybe he has something there too.

Hook Worm disease makes people feel pretty punk. They are pale and weak and skinny. They have no appetite and are tired all the time. They are always scratching with the "ground itch."

We have no trouble here from Hook Worm but in some places it is pretty bad.

The worms live in the ground. They fasten themselves to bare feet and hands. Then they burrow through the skin and get into the blood which carries them to the lungs and bowels.

Proper sanitation does away with this annoying and destructive disease.

Rev. C. R. Thayer Composes Brochure

Rev. C. R. Thayer, former pastor of Third U. P. church from 1941 to 1946, now minister of the Presbyterian and United Presbyterian churches in New Florence and West Fairfield, near Johnstown, has recently had published a brochure.

The brochure, authored by Rev. Thayer, is entitled, "Understanding the Nervous Breakdown." The work has received favorable comment from a number of recognized authorities in the field of psychology. Dr. George W. W. Crane, of Northwestern University, author, lecturer, columnist and radio speaker, calls the brochure "the most discerning and practical exposition of the nervous breakdown I have ever read."

Others praising the work include: Dr. George M. Lott, psychiatrist, Pennsylvania State college, and Dr. Charles R. Zahner, University of Pittsburgh.

Past President Katherine Kogenos was the installing officer when the Orpheus Chapter No. 184 invested officers at their meeting.

Mrs. Mary Georgeadis was installed as president, Mrs. Agnes Papazikos, vice president; Mrs. Eva Mitsos, treasurer, and Mrs. Evelyn Lestas, secretary. Other officers to serve in 1950 are: Chairman of the board of governors, Mrs. Katherine Kogenos, assisted by Mrs. Efstathia Karidas and Mrs. Stavroula Zazanas; priestess, Mrs. Menna Gelles, warden, Mrs. Helen Valasis; guard, Mrs. Martha Manos; sentinels, Mrs. Lambrini Karidas and Mrs. Bessie Christos.

The newly elected president spoke briefly on "Cooperation" and "Teamwork."

Plans are being made for a dance, honoring the high school and college graduates that are members of the St. George Orthodox church. Date of the dance will be announced later.

A program and tea followed. Mrs. Katherine Kogenos and Mrs. Lambrini presided at the tea table centered with flowers and lighted tapers set on an heirloom cloth made by Mrs. Kogenos.

Purchasers Pick Name At Meeting

At a meeting of a committee appointed to select a name for the newly organized purchasing agents association here, which was held this week, it was decided to call the organization the Purchasing Agents Association of Western Pennsylvania. The committee also approved a constitution and by-laws, which will be presented to the association for approval at its next meeting.

Plans are being made for a group from the local association to visit the meeting of the Youngstown Chapter on February 28 where they will meet the vice president of District Six, of the N.A.P.A., with which the local chapter will be affiliated. A membership drive is now in progress, the temporary committee

in charge being composed of Don Haben, Johnson Bronze Co.; Warl Brookover, Standard Steel Spring Co.; Robert Brest, National Radiator Co.; and Ellis Diefenderfer, Shenango Pottery Co.

The next meeting of the local association will take place on March 8, when election of seven directors will take place. Application blanks are being sent out to around 80 prospective members in the local area.

Try And Stop Me

By BENNETT CERF

A young girl, recounts Harry Conover of the Model Agency, came to Father Healey in Dublin and confessed that she had incurred the sin of vanity. "What makes you think that?" asked Father Healey. "Every day," said

the girl. "I look into the mirror and tell myself how beautiful I am." Father Healey put on his glasses to study the girl more carefully, then told her gently, "That's not a sin, my child, it's only a serious mistake in judgment."

Miss Krieswirth, an extremely nervous patient at best, jumped to

her feet in alarm when a series of staccato reports sounded from within Dr. Rodgers' impressive inner sanctum. "Nothing to worry about my dear," the nurse soothed her. "That's just the old doc giving Mrs. Nussbaum some shots."

Chief Hoo-chok, of a noble cannibal tribe, came down with a

severe attack of hay fever. His wife pointed out coldly, "That's what you get for eating that grass widow!"

Folks Of Fame

Samuel Adams was an American statesman, born in Boston, Mass., Sept. 27, 1722. He was graduated from Harvard and began to study law. He was a business failure, but became so influential in local politics that he was called the "Man of the Town Meeting." He came into

wider prominence during the rebellion against the Stamp Act and other injustices. He wrote many Revolutionary documents, including "Massachusetts Resolves." He managed the proceedings of the Boston Tea Party. He was a delegate to the Continental Congress, and vigorously opposed any concession to the British government. He was a signer of the Declaration

of Independence. He died in Boston on October 2, 1803.

Carrie Nation was born in Girard county, Kentucky, November 25, 1846. She taught school for awhile, then married, but her husband was a chronic alcoholic, and she left him. She organized the Women's Christian Temperance Union in Kansas, and in Wichita she wrecked a saloon with a

hatchet, claiming that as saloons were illegal in the state, it was not a crime to do so. She was jailed for the act however. She is said to have carried a Bible with her on her saloon-smashing expeditions. She died June 9, 1911. Her acts are said to have led eventually to the Prohibition (Eighteenth) Amendment to the Constitution, which was, however, later repealed.

Highland Church Will Have Paper

Members of Highland United Presbyterian church will publish a monthly paper, called "The Highlander," starting with a February issue. The paper, containing news of the church, Bible school, young people and coming activities besides editorials, personal mention

items, humor and drawings, will be sent to each home of the congregation.

A staff, consisting of Dr. T. J. McFate, editor; Henry J. Brenne-man, associate editor; Miss Shirley Cartwright, copy editor; Miss Te-moy Jane McFate, circulation editor, and Harold Lose, art editor, has been organized.

Get Government Food

Surplus foodstuffs on hand in government warehouses are now being made available for needy families, the county commissioners are informed.

The commissioners have been notified that they can get surplus foods if they will furnish the names of a list of needy families.

Inasmuch as relief here is handled by the Department of Public Assistance, the commissioners will get in touch with John P. Brinton, head of the local DPA, and see what can be done.

Potatoes, apples, cheese, canned fruits, powdered milk and dried eggs are available.

NO GOLD IN THEM HILLS?

Applicants for census taking jobs are beginning to wonder whether or not the jobs to be given out are lucrative or not. The census takers will be paid seven cents per person registered.

In heavily populated districts the number per hour that can be registered would be fairly high but in sparsely populated districts it would take some hustling to make an average of a dollar per hour.

New Castle Will Open Mid-Atlantic Season Here Friday May 5th.

League Officials Here Sunday Look Forward To Great Season

New Castle will open the 1950 Mid-Atlantic league baseball season at P. J. Flaherty Memorial Field Friday, May 5th with Vandergrift, according to the schedule adopted at the Castleton hotel executive meeting Sunday.

The entire 1950 card for the 26th consecutive Mid-Atlantic league was adopted yesterday to be published at a later date.

Opening Schedule Announced

The opening day schedule will be as follows—Vandergrift at New Castle; Johnstown at Erie; Niagara Falls at Butler; Oil City at Youngstown.

Elmer Daily, president of the league from Ebensburg presided at the meeting along with Vice-President George Cooper of Johnstown and Secretary Russell Hockenbury of Scottsdale. All eight teams in the league were represented at the meeting despite the hazardous traveling conditions of the highways. Approximately 50 men attended the meeting, league officials, club owners, business managers, press and radio.

President Daily Optimistic

President Daily had the following statement to make—"The league has never been in better financial condition or has been more solid since World War II, and we are looking forward to a great season". Representing the New Castle Nats yesterday at the loop session was: Alphonso "Al" Scarazzo, general chairman of the "Citizens Baseball Drive", Attorney Frank Moretti, Anthony Conn, secretary, and Mike Cannavino, the latter in an advisory capacity, although he is no longer connected with the New Castle team.

Niagara Falls Accepted

Niagara Falls having taken over the Uniontown franchise, was formally voted into the league by the clubs present and New Castle under new ownership this year, was also voted upon favorably. Niagara Falls has raised over \$13,000 from the citizens for the team.

Representing Niagara Falls at the meeting was John A. Daly, and General Manager Joe Brehan; Oil City, Ray Anderson, president, and "Brute" Kramer, general manager; Butler, Elmer Hutchison, president, and general manager, Charles G. Slacum; Vandergrift, Joe Bucc, president; Erie, Jacko Munch, president; Youngstown, Nick Andolina and Bill Koval co-owners, Johnstown, George S. Cooper, president.

The league went on record as upholding the fine and suspension slapped on Billy Mongiello last year for taking his team, the Nats, off the field at Johnstown, \$250 fine and 90 days suspension. Several other minor details of the league also came up for consideration.

Ready To Go

All eight teams reported operations progressing and will be ready to start the 1950 season on a firm footing.

Al Scarazzo announced at the

Franklin Plays Sharon Tuesday In Title Effort

George Washington plays at Lahoning, Ben Franklin takes an important trip to Sharon and Farrell plays Butler in Section 17 Junior WPAL finals Tuesday afternoon.

A win for Franklin at Sharon will give the Patriots a tie for the league title along with Sharon and Farrell—if Farrell defeats Butler. A win for Sharon will give the Little Tigers sole possession of the tag.

There is nothing at stake in the Washington-Mahoning game except the prestige of the two teams involved. The city championship has already gone to Franklin and both teams are out of the league race. Washington took the first game between the cross-town rivals 26-25.

John Roussos Honored Sunday

New Castle Fullback Given Gift At St. George Church Party

John Roussos, fullback of the New Castle senior high school championship football team of 1949 was honored Sunday night by the Order of Ahepa, Daughters of Penelope and Maids of Athens.

In his honor a party was held in the recreation room of St. George Orthodox church with a large crowd attending. Nicholas Lucas, president of the Ahepa had charge of the affair.

Presented with Gift Speaking for his own organization and the women's organization with a pen and pencil set and expressed the hope that the future years would see John a standout in the history of New Castle high school football.

John Roussos seems to be following in the footsteps of his two famous brothers, Socrates and Michael, both football greats for New Castle high and later stars in college ball.

Socrates played for Slippery Rock State Teachers College and is now teaching chemistry and physics in Union high school and is basketball and assistant football coach.

Michael played for the University of Pittsburgh and is now playing professional ball with the Detroit Lions in the National-American Football league. Both of them were present for the tribute paid their younger brother Sunday night.

Old Cage Rivals Clash Tuesday In Section 24

Greyhounds At Wampum; Bessemer At Mt. Jackson

Wampum has already won the Section 24 basketball championship and Tuesday's closing night program may be anti-climatic. However, the WPAL schedule makers have usually seen to it that the old rivals clash on the final night. That is what's on the Tuesday docket.

In these matches season's records and championships usually go by the boards. A win in the steeped classic makes a very mediocre season suddenly become successful.

Both Union and Shenango will be striving to salvage something of a near disastrous league year when they meet at Shenango High. Shenango won the earlier encounter on the Scottie floor, 45 to 39.

Home Not Forgotten

Bessemer proved to be a very tough foe for Mt. Jackson in a first half contest at Bessemer. The Mounties squeezed by 35 to 31. Tomorrow night this pair gives it another fling at Mt. Jackson. Last year's champions have not forgotten the trouncing they took at Bessemer after the crown was in the bag and the Webster cagers will be out to settle that score as well as preserve a fine home record for the season which included only one league loss.

The championship Indians are host to New Wilmington at Wampum. The Greyhounds pushed Wampum into overtime before submitting 61 to 58 at New Wilmington earlier. This attraction shapes up as one of the best on the card and it also marks the final high school league appearance for Tom Hutchison, outstanding veteran, forward of the Greyhounds.

Shenango Y Whips Viking Cagers, 47-41

Shenango Y defeated the Viking quintet of Pittsburgh Saturday night at the central YMCA floor.

The powerful local cage outfit led most of the way in the well-played game.

Billy Walls led Shenango Y in scoring with 17, followed by Rib Taylor with 10. Dickie Fitzgerald of the Vikings was individual high man with 20.

Shenango won the game at the foul line by sinking 15 of 17 charity tosses. The Vikings made 7 out of 12.

The Shenango boys are now pointing for the clash with the East Brook Boosters Wednesday night in the doubleheader benefit at George Washington. Next Saturday they will play the Vikings in a return game at Pittsburgh.

Shenango G. F. T. Vikings G. F. T.

New Castle And Ellwood City Hit Wind Up Season Tuesday Night

New Castle High School winds up its 1950 basketball season Tuesday evening when it meets Ellwood City High on the George Washington Junior High School floor.

A win for the Red Hurricanes in this tie will bring about a three-way tie for the bottom rung in the league standings between New Castle, Ellwood City and Beaver Falls.

A loss will put the Hurricanes in undisputed possession of the basement and will move the Wolverines of Ellwood City up to sixth place, ahead of both Beaver Falls and the "Canes".

Besides being a battle for the basement the game will also mark the last game for the "Canes" under the leadership of George "Gig" Thomas, who has announced his resignation, effective at the end of the season.

Final For Two It will also be the final game for Dick Lewis and Don Leiberger, the only remaining graduating seniors on the squad. Don Reed wound up his high school basketball career in the Ellwood City game earlier in the year when he injured his knee. Several other seniors dropped from the squad before the end of the season.

In the first game between the two teams, Ellwood City came out on top by a 51-38 score. Since that time New Castle has failed to win a ball game and the Wolverines have won one—from Beaver Falls 34-22.

Their last two times out, however, the Hurricane hoopers have played a little better brand of ball. In the game with Sharon last Wednesday evening they pressed hard from the beginning of the game and earned the respect of the Sharon coaches and fans before finally bowing 45-34.

There is nothing these boys would like more than to end the season and Coach Thomas' coaching hitch with a victory. It would kind of make up for a lot of other setbacks suffered throughout the course of the season.

Titans Battle Thiel Tonight

The Westminster College Titans, well on the way to their best cage record since 1941, will attempt to extend their 17-game victory string tonight when they play a return match with Thiel College at Greenville.

The Titans swamped the Thiel quintet 86-39 in a previous encounter this season and are expected to rack up victory No. 18 tonight.

Waynesburg Wednesday The game is one of three the Titans play this week. Wednesday the Westminster quintet will take on Waynesburg in a return match here and Saturday will journey to Meadville to meet Allegheny college.

The fast-breaking Westminster quintet includes four high scorers of almost equal shooting ability. Bruce Wagner, set shot artist from Cochranton, presently leads the field with 255 points. Pat King of Connelville has racked up 208 points, Jackie Jones, also of Connelville, has accumulated 192 points, and Capt. Allen McCullough, of Bradford, has 214 points.

Curt Stone, former Penn State distance runner, forgoes a record 8:50 two-mile during the current indoor campaign.

Titans Swimmers Outclass Washington & Jefferson

Westminster College swimmers defeated an outclassed Washington and Jefferson tank team 49-17 Saturday in the Titan pool.

Titans swimmers took first place in seven out of eight events. A team composed of Bob Braun, Fred Cassell, and Duff Brown put the Titans out front by winning the initial event, the 300-yard medley relay. The locals were never threatened after that.

PRACTICE SHOOT CARDED

The Colonel Charles Young rifle club will stage a practice shoot at the Armory range tonight at 8 o'clock it was announced by Secretary Tom Farrow. Ray McHenry will be called on to defend his title tonight in an interclub shoot after the practice.

Mahoning, Wampum Enter Junior High Cage Tournament

Mahoning and Wampum junior high school basketball teams have entered the fifth annual Struthers Junior High tournament in Struthers, O., which gets under way tonight.

Wampum is scheduled to meet Leetonia Thursday at 5 p.m. and Mahoning is slated to meet Springfield township at 6 p.m. the same night.

The winners of the Wampum-Leetonia and Springfield-Mahoning games will meet Monday, February 27, at 9 p.m.

Thirty-six eastern Ohio and western Pennsylvania schools have entered the tournament, with Hayes junior high the favorite. Other top seeded teams are Howland, East Liverpool, Niles, Washington and Columbiana.

Farrell junior high has also entered the tournament.

YMCA-Junior Church Basketball Results

Some very close cage games marked an afternoon of exciting play in the junior church league Saturday at the Y.

In the "A" league, First Christian edged Croton 22 to 21. Montgomery had 10 for the winners and McEwen 9 for the Croton five. First Baptist took First Presbyterian 21 to 15. Williams clipped in nine points for the Baptist cagers.

The Hanna brothers scored 15 of the Second U. P.'s 16 points in a 16 to 13 win over Central Presbyterian. Shaw hooped eight for Central.

In the "AA" league, St. George edged AZA 23 to 21 in a thrilling overtime battle. C. Demos had 11 for the Greeks and Hains got a like number for AZA. The logs dropped AZA one game off the first place pace set by S. S. Alliance.

The Alliance quint tripped Epworth 26 to 17. Boak and Phillips had seven apiece for the leaders; Hares popped eight for Epworth. Rapson hit the double columns for 19 points as he sparked Third U. P. to a 31 to 19 win over First Methodist. Bradley had six for the Methodist.

Hank A.C. Wins First In Cortland Tourney

Hank A. C. made it 23 straight wins Saturday by whipping Parkman, O., 75-38, in first-round play in the Cortland, O., tourney.

After trailing 8 to 9 in the first period the local cagers hit their stride in the second period and won in a romp.

Bob Carlson, Harp Janacone, Wayne Gray, and Chuck Rea had 18, 17, 14, and 13 respectively for the Hanks. The team returns to action at Cortland next Saturday.

At Ellwood Tonight

Meanwhile it meets Metz service in a district league game at Ellwood tonight at 7:15 and plays an important engagement with the very formidable Beaver Falls Legion Wednesday night.

The latter is part of a benefit doubleheader program at George Washington. Shenango Y plays East Brook Boosters in the first game on the card. School parolmen who guard the streets for the grade school children will get the proceeds.

Mt. Jackson Loses To Westinghouse

Mt. Jackson Indies lost a 51 to 45 decision to the Sharon Westinghouse quintet Saturday night at Mt. Jackson.

The game marked the first time this season Coach Fran Webster has participated for the Mounties. He scored 13 as did Bill Emery. Marchen had 17 for the winners who had a 31 to 13 lead at half time and coasted to the easy win.

The Indies meet the tough Bessemer Legion team tonight.

Annex 17th Win Easily At Farrell Saturday

Westminster's Tall Titans registered their 17th victory in 19 starts Saturday night when they swamped Pitt's Panthers 85-55 before a capacity crowd at Farrell.

The Titan victory was the second this season against the Jungle Cats from Skyscraper U. Previously Washabaugh had used five "iron-men" to subdue the Panthers 49-38 on their home court.

The Panthers were never in the game after the first five minutes of play Saturday. Capt. Allen McCullough pitched one through the hoop in the first 10 seconds to give the Blue and White a lead they never relinquished.

Tie Score Early

Clyde Shaffer, Bruce Wagner, and Pat King built up the Titan lead to 9-3 at the end of two minutes of play. Shortly after that the Panthers made their only real threat of the contest. Goals by George McCrossin, John Kendrick, and George Radosevich enabled the Panthers to tie up the game at 10-10 at the end of five minutes of play.

Set shot artist Bruce Wagner quickly doused the Panthers' hopes by piling up 10 points for Westminster in the next three and a half minutes of play. The Titans led 45-23 at the half. After that Pitt weakened before the relentless fastbreaking play of the Titans and were behind 30 to 35 points during the last 10 minutes of play.

The Titans set up tight defensive stands around the goal that thwarted numerous attempts by Pitt to break through for layup shots from its "figure eight" play.

Wagner High Man In the contest, Wagner, who scored 17 points in the first half, added two more goals in the second to take high scoring honors for the night with 21 points. King was close behind with 17 points. High scorers for the Panthers were McCrossin with 18 points and Louis Ceconni with 13.

John Abraham, six foot sophomore from Irwin, who has been seeing more and more action in recent games, played in over two-thirds of the contest at a guard position. He tossed in five field goals and made two free throws for 12 points.

In the preliminary game Pitt's

freshmen team defeated the Titan JV's, 55-50.

HERE and THERE IN SPORTS LAND

JOEY CARKIDO, Youngstown, who boxed here, lost in three rounds to Claude Hammond, New York, at Sunnyside Gardens, New York City, . . . While in Stillman's gymnasium, New York, Jersey Joe Walcott whispered some words of advice to Freddie Beshore as to how to fight Ezzard Charles. Ezzard and Beshore box in Buffalo, February 28. . . Gypsy Joe, the wrestler who takes on Pierre LaBelle, the "Little Atom" March 10, in the Arena, is a colorful grappler. Both he and his Mrs. attire themselves gypsy-fashion, wear ear-rings and other jewelry which Gypsies like. . . Maurice Richard, Montreal, is the leading individual goal-maker in the National Hockey circuit. . . An Ohio court judge has ruled that the Mansfield, O., Board of Education cannot prevent a radio station from broadcasting scholastic athletics. Jack Kearns and Jack Dempsey will meet again. They are to confer in New York in regard to a movie of their memorable rise together in pugilism. Kearns had as much to do 'making' Dempsey had 'making' Kearns. Fighting is like politics. Friends of today may be enemies tomorrow, and on the day following, friends again. Kearns now manages Joey Maxim, the light-heavyweight champion who decrowned Freddie Mills with a knockout punch.

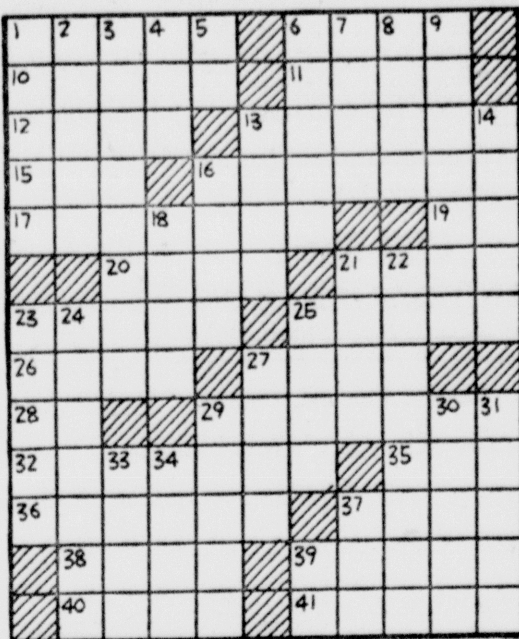

Talking to Gordon Cobbleddick of the Cleveland Plain Dealer, Joey Maxim, said: "I am not one of those guys that walks in and belts you with a punch. Never was, never will be. I punch fast. I punch often. But I don't stiffen guys. It's like this: You hit a guy in the mouth two-three hundred times, he gets so he don't like it and can't take it. I wear him down and stop him, maybe, but I can't knock his head off." He added that one reason why he punches more with his right hand is that he has more confidence now than he had. . . Paul Minner, now with the Chi-Cubs, has signed his 1950 contract and is ready for the training season. . . No former ball players will be admitted to the Hall of Fame this year, according to a poll by baseball writers. . . Ezzard Charles said at Pittsburgh, "a full-fledged heavyweight title bout between him and Joe Louis only awaits an announcement of the time and place by the former title-holder, the Brown Bomber". . . Harry Elwell, blackface comedian, said he ordered of a waitress, toast, coffee, eggs, and "a kind word". After the food was brought, he inquired: "How about the kind word?" The waitress replied, he said: "Don't eat the eggs".

Lawrence County Sportsman's Association will meet Tuesday night in the C. I. O. Hall. No doubt Delegate George Bolinger will make a report as to what transpired at the Federation meeting in Harrisburg, last week. It is also probable, a local contractor will give a decision as to whether or not the firm will accept the proposal of the LCSA that it excavate for a lake at the Sportsman's farm at the Harbor. . . When Gorgeous George left the ring in Pittsburgh for his dressing-room after a bout last week, a woman spectator slugged him with her pocketbook. . . George Stillman, ex-president of the LCSA writes from Fredonia, N. Y., enclosing a picture from the Buffalo Courier-Express showing a large flock of ducks wintering on Buffalo harbors. He sends regards to "Doc" Bill Horner, Converse Branscome and other sportsmen. A year ago, George was in Texas. . . Jim Londos has returned to wrestling. He grapples in Cleveland tomorrow night. Jim is a friend of James Hrisoulas, the East Side cafeite, who, in his younger day, also grappled. No doubt that was during the days of Jim Prokus, Demetral, et. al. . . From what Here & There has been told by television fans, Joe, the Gypsy, or Gypsy Joe, whichever one wishes to call him, he is one of the roughest men in wrestling.

Duquesne Meets Indiana State

PITTSBURGH, Feb. 20.—(INS)—Duquesne makes its twelve and final appearance at the Gardens in Pittsburgh tonight, searching for its twenty-first victory of the season against Indiana State Teachers of Terre Haute.

The visitors have won 17 and lost seven. Duquesne has lost once in 21 games.

MIDGET TITLE CLASH
The Pollock Cardinals meet the Blue Devils tonight at the Lincoln-Garfield gym at 8 o'clock to decide the champion of the City Recreation National Midget League.

SHAMROCKS TO MEET
The East Side Shamrocks basketball team will have a meeting tonight at 6:30 o'clock at the home of Coach Frank Fannin, it was announced.

Fight managers insist that under the present garden setup nobody can get any work for his fighters unless there is a kickback somewhere.

Jim Thorpe, often called America's greatest all-time athlete, blasts the Amateur Athletic Union's so-called "purity code" as "ridiculous and unjust."

Thirteen New Castle Nats combined to hit 62 home runs in 1949.

ENLISTED MAN HONORED AT POINT

WEST POINT, N. Y.—Martin (Marty) Maher sits beneath his portrait (in pose held for artist) after the unveiling of the picture in the gymnasium of the military academy. Maher, an ex-sergeant, is the first enlisted man ever honored in such a manner at the Point. An Irish immigrant, the little septuagenarian (he's 74), spent most of his 30 years of active service at the Point as swimming instructor and later as civilian custodian of the gym. Picture hanging marked his final retirement, with full military honors, a practice unique in the history of West Point, in that it is usually reserved for officers.
